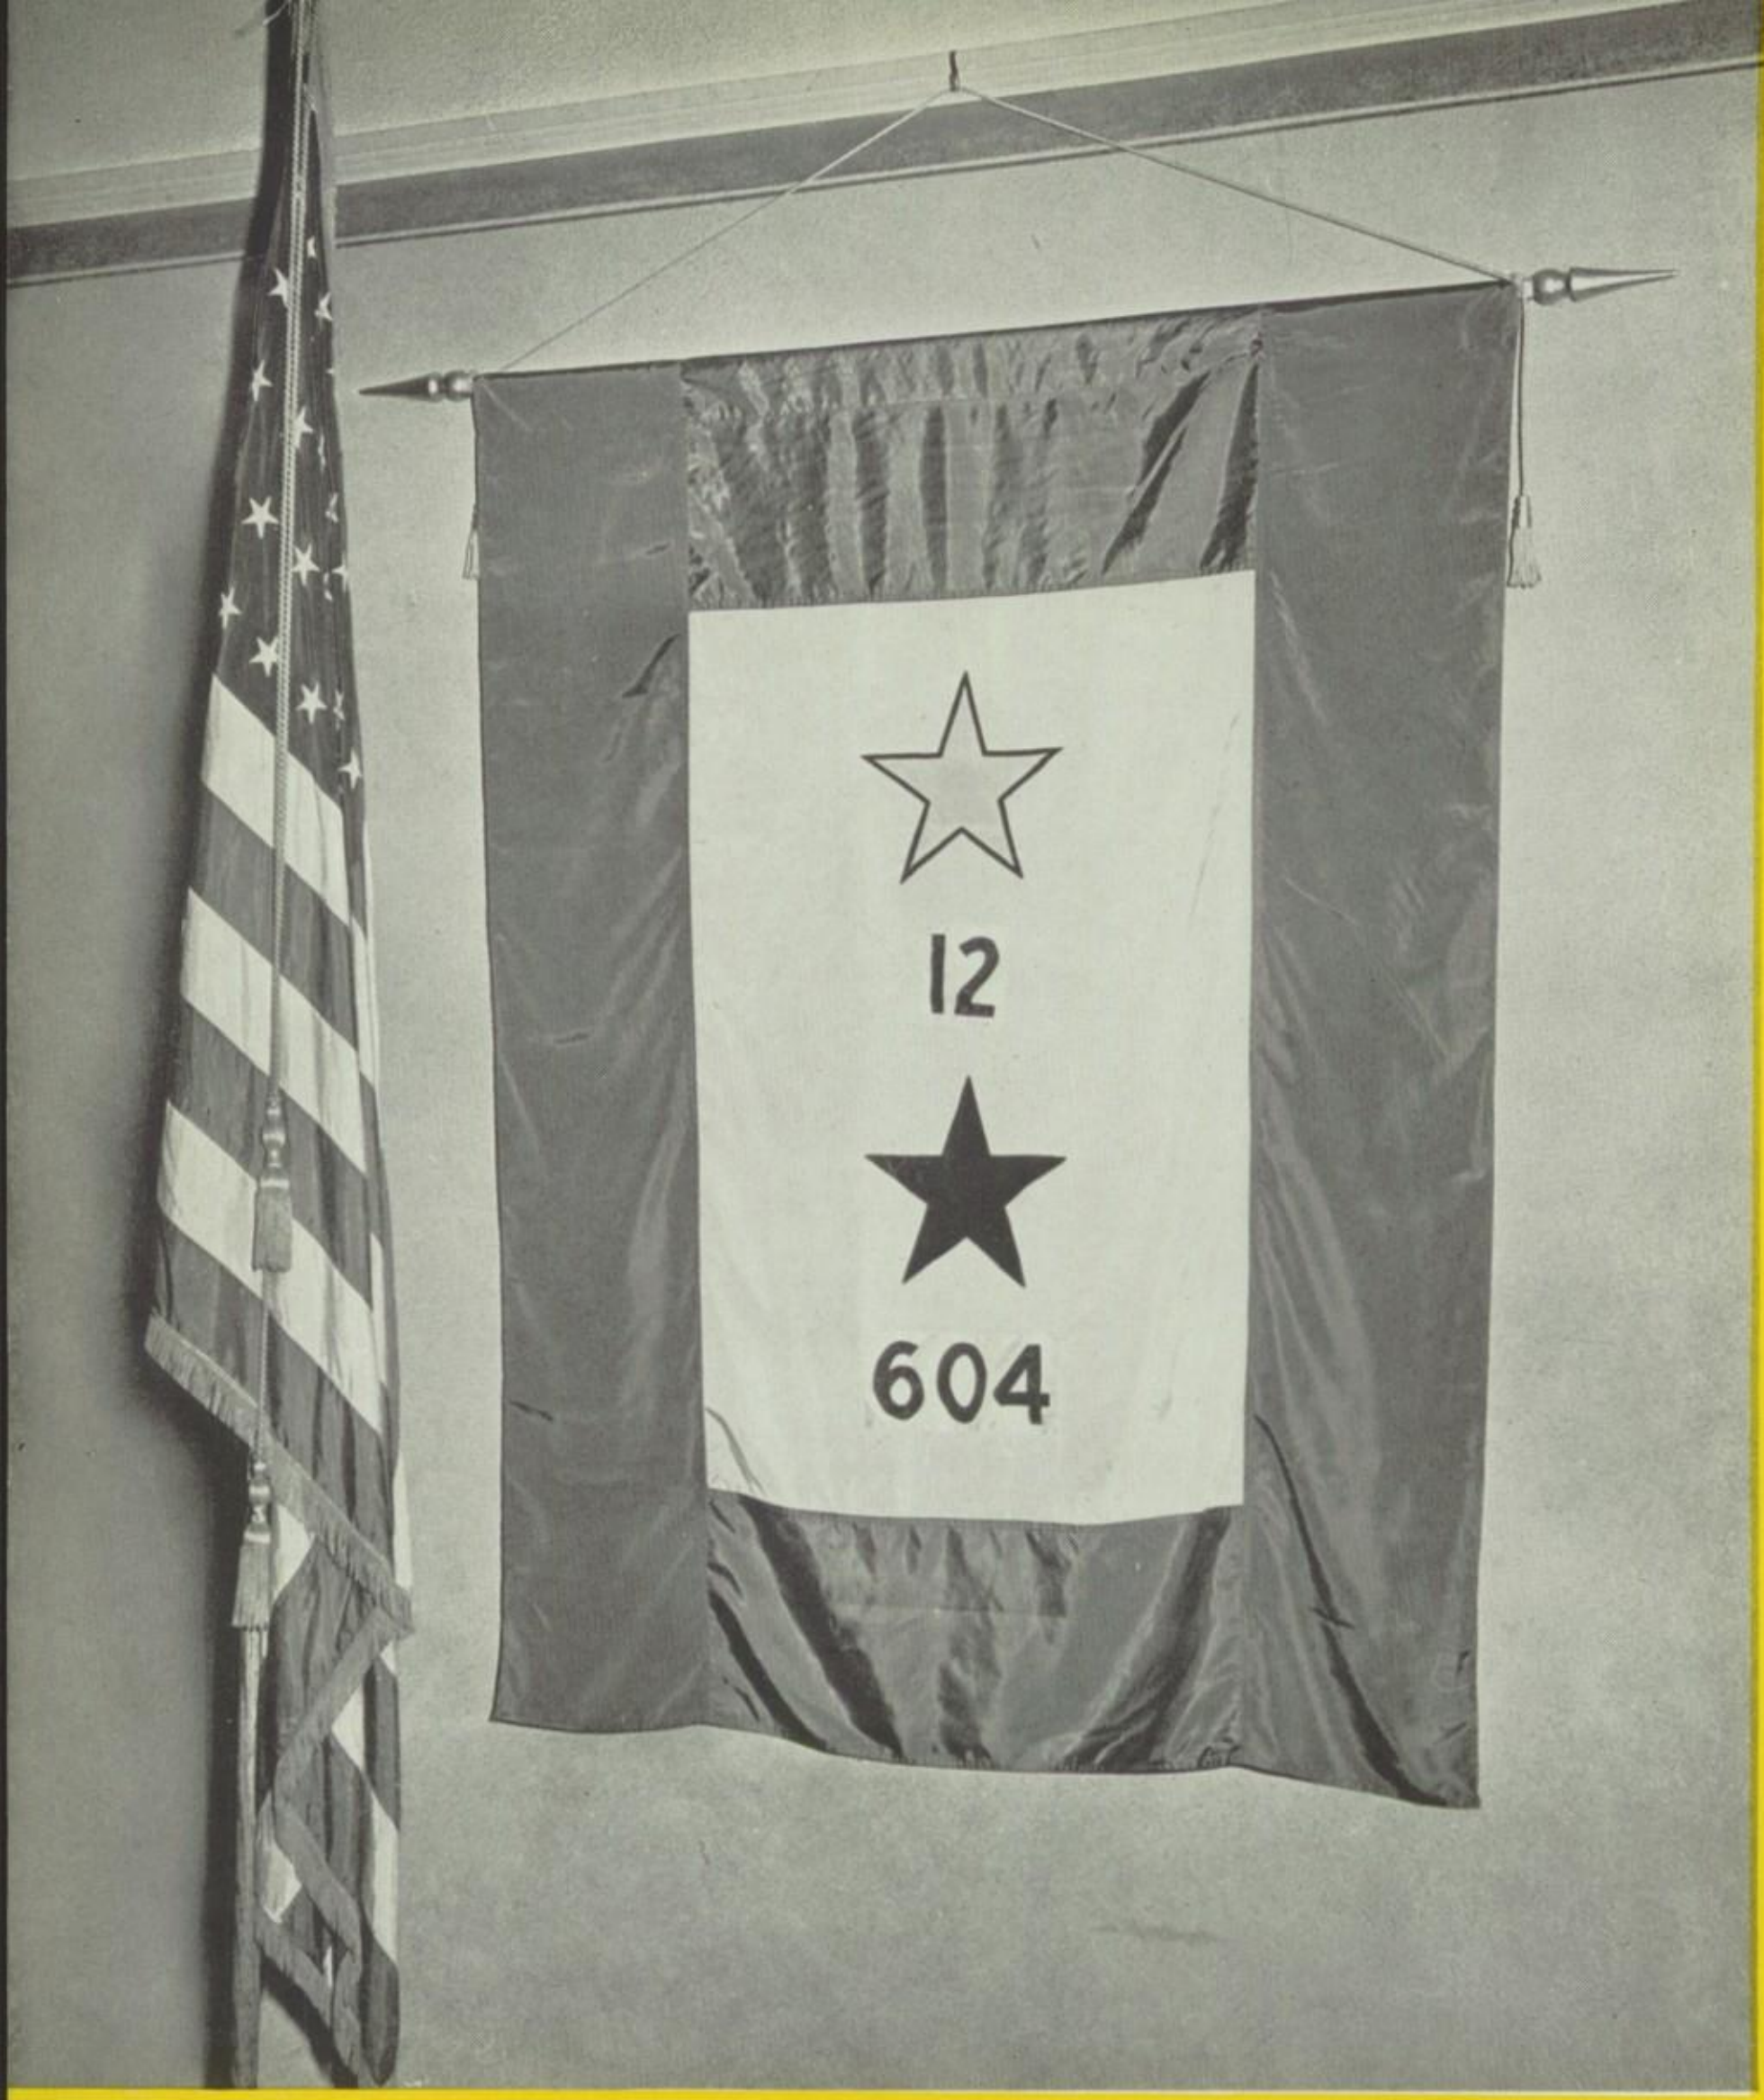
FOREWORD

The 1943 SAGAMORE is a permanent record of student life in Roosevelt High School. In the halls and in the class rooms, at athletic feats and at school parties, the "Teddy" spirit dominates. "Teddy" symbolizes the leadership, the statesmanship, and the humanity of Theodore Roosevelt, the great man for whom our school is named. The spirit of good sportsmanship prevails through fellowship and association of students with the other students and with the teachers. In the following pages we bring you souvenirs not only of the educational program but also of the social program. Just as Longfellow immortalized the Minnehaha Falls, we, the staff, wish to commemorate the activities in our school and its "Teddy" influence; therefore we have chosen for our theme STUDENT LIFE.

Florhelen Palmstein, Editor



The students presented the service flag to the school through their Student Council; and the service record was furnished by the Hi-Y as of April 1, 1943.

DEDICATION

During the course of our endeavors we of the staff have found that ideal Student Life develops well-adjusted personalities capable of rich all-round living. The objectives of education—self-awakening compatable human relationships, individual economic efficiency, consciousness of civic responsibility—can be realized through effective Student Life. The student, through it, learns to act on thinking and acquires consideration for his associates. As a result of his environment, he tends to become a conservator and a humanitarian. Aware of the potentialities of this exemplary foundation for useful citizenship and hopeful that this foundation may serve as a basis for WORLD citizenship, we feel privileged to dedicate the SAGAMORE of 1943 to all students.

In the industrial wing between 3 p.m.--11 p.m., men and women mechanically inclined receive their foundation for future employment. Lathes, Grinders, Millers, and Shapers are some of the machines used in instruction.

Roosevelt High School is the first in Minneapolis to include students in their Parents and Teachers Association.

In and out of these great doors many students have come and gone. Each morning and at dismissal time many students are seen passing through them.

ACCENT ON DEMOCRACY

The Student Council has been a part of Roosevelt High School since 1924. It was only a small group then, but today it is a large organization which takes over much responsibility in supervising school activities. Mr. Carl Lundin is the adviser of this democratic system. He is assisted by student representatives who are elected by the school. From this group of representatives, a president and a vice-president of the council are chosen. Mr. von Levern, our principal, assists the council in legislative matters.

A variety of work is handled by the Student Council. This work includes governing study halls, regulating noon activities, directing school sanitation, and sponsoring school parties and programs. The war has brought on another important duty — that of supervising the many drives and campaigns requested of the school by the United States government.

Those who work in the council derive benefits in character building and also learn what it means to be an ideal citizen. Many visitors have come to Roosevelt to learn of this outstanding system of student government. The success of the Student Council has brought wide recognition and acclaim to Roosevelt High School.

STUDENT GOVERNMENT

The work of the Student Council is centered in the thirty-one standing committees which are organized by the members of the council. These groups are under the jurisdiction of thirty-five sophomore, junior, and senior representatives who comprise the main body of the council. A few of the committees require full time participation and tedious work, and therefore, are more publicized and well-known than some of the minor ones. Each of these, however, plays an important role in the success of our student government.

The Ethics Committee is outstanding in exercising strict supervision of student's conduct throughout the school building. The huge job of handling the Service Point System is taken care of by the Student Activity Board. Under this arrangement, the service each student renders the school is recorded in the files in the Council Office. Work pertaining to the Parent - Teacher - Student Association is directed by the P.T.S.A. board. Our school banking is in the capable hands of the Banking Committee. It is the duty of the Auditorium Committee to acquire available school talent for various programs given for the students.

"Student Life" is the theme of the 1943 Sagamore, which is presented by the June graduating class. The drawings and the cover design were created by art students under the direction of Mrs. Cattron. Mr. Harvey Wagner is the faculty adviser.

The Sagamore Staff enjoyed preparing the annual and wish to dedicate it to the students who are preparing themselves for a better world.

ALL AMERICAN HONORS

In recognition of the superior work done on the 1942 Sagamore, the staff was presented with a medal of highest rating awarded by the Columbia Scholastic Press Association of New York.

RECORDER OF STUDENT LIFE

The Standard, edited each Thursday by the staff, is the weekly publication at Roosevelt.

To qualify as a member of the staff, a student must show outstanding ability in News I.

The Standard Staff meets daily during the fourth period under the advisership of Mr. LeRoy Nielsen. Until 1940, the paper was sold by the subscription method; but a new plan was approved by the students whereby everyone receives the paper for a smaller price.

For eleven consecutive years the Standard has received All American in the National rating and first place in the Columbia Press Association award.

"SERVICE FOR ALL"

Any Roosevelt girl of good character and initiative who is willing to serve the school and club may be a member of Seton Hy.

Seton Hy was organized in 1926. Miss Molan and Mrs. Thro are the club advisers.

The club sponsors an annual Valentine Sunlight, and many times outside talent give very entertaining talks on nursing, etiquette, and other topics. Many kinds of pleasant meetings are held at Seton Guild for all Seton Hy clubs of the city.

Seton Hy members really live up to their motto, "Service to All". They collect teachers' trays, contribute to boxes for soldiers, collect phonograph records for the U.S.O., and help poor families at Christmas.

The meetings are held on the second and fourth Tuesdays of each month. The fall officers this year were Virginia Carlson, president; Jean Balme, vice-president; Mary De Marchi, secretary; Vennette Plotnik, treasurer; Betty Johnson, publicity chairman; and Marilyn Hertzenberg, program chairman. The spring officers were Jo Ann Melchisedech, president; Barbara Ekse, vice-president; Mary Shuster, secretary; Thomasine Thomas, treasurer; Jerry Thornberg, publicity chairman; and Ethel Israelson, program chairman.

"FORWARD, ALWAYS FORWARD"

Habla Vd. espanol? This is the greeting of a member of the "El Hispanoamericano" club. If you are taking Spanish and are interested in it, you may belong to the Spanish Club. It holds its meetings on the fourth Thursday of every month. The motto is: "Adelante Seimpre Adelante", Forward, Always Forward. The purpose is to increase interest in the Spanish language, to promote friendship, and to participate in social activities. The club is sponsoring the awarding of a medal each term to the most outstanding student in Spanish.

The officers of the fall term were as follows: Salome Titus, president; Beverly Lofthus, vice-president; Ben Fremming, secretary; Gloria Law, treasurer; and Russell Akre, sergeant-at-arms.

Last fall the new members were initiated at a wiener roast at the Deer Pen. The annual Christmas party was held in the band room and was climaxed by the traditional Spanish game of "Pinata".

The officers for the spring term are as follows: Russell Akre, president; Marilyn Johnson, vice-president; Mary Alice Berg, secretary; Gloria Law, treasurer; and George Parsons, sergeant-at-arms.

HI-Y COLLECTS BOOKS FOR SERVICE MEN

Voluntarily the club has taken upon itself many useful service projects. Each fall it manages the concession stand at the football games on our own gridiron. The proceeds are given to the Red Cross, or part may be taken to give an athletic banquet. The club also has charge of the second-hand book room. The Hi-Y is likewise sending to former graduates now in the armed services, the Roosevelt Standard and a news-letter. Participating in the Victory book campaign it has collected between eight and ten thousand books.

Traditional gatherings are the Palm Sunday breakfast and the pre-Easter service with the Blue Tri usually held at Our Redeemer Lutheran Church on Fortieth Street and Twenty-seventh Avenue.

HI-Y AT YOUR SERVICE

The purpose of the club is to create, maintain, and extend throughout the school and community high standards of Christian character.

The presiding officers for the fall term were Jim Oberg, president; Paul Newman, vice-president; Lyle Larson, secretary; Larry Landstrom, treasurer; and Willard Nordin, sergeant-at-arms. Elected for the spring semester were Larry Landstrom, president; Al Anderson, vice-president; Bob Eidsvoog, secretary; Jim Nelson, treasurer; and Gene Nieland, sergeant-at-arms. At the last induction ritual, which was held March 9, 1943, forty-one new members were received. This set a high mark.

Twenty-five applicants gained membership at the fall ritual, October 27, 1942. Both meetings had impressive speakers. The faculty adviser is Mr. Weum.

CHAPTER MEETINGS

Our Hi-Y Club is a constituent organization of the Roosevelt Branch of the Y.M.C.A. It is composed of six chapters, each having seventeen members and its own officers. They meet in the boys' homes with a qualified leader each Tuesday evening. Once a month all the chapters get together for what is known as an all-school meeting.

The requirements are as follows: each applicant must attend two training sessions, visit two or more club meetings, and have a personal interview with Y.M.C.A. adviser, Lyndon F. Cedarblade. He must also be present at the induction ritual held twice during the school year.

THE SPIRIT OF NORWAY

The Norse Club, organized in 1926 by Mr. Benjamin Eggan, has become one of the most active clubs at Roosevelt High School.

To become a member of the club, a student must be taking Norse, must be a good student, and must uphold the tradition of the club.

The emblem of the club is a pin inscribed with a small gold lion on a maroon background. The pin bears the royal coat-of-arms of Norway.

Norse Executive Board
Standing—Ekse, W. Nelson, Palmstein, Vick. **Sitting**—Blegen, Mollan, Bjellaness.

The Norse Trophy was presented to the Norse Club by the Sons of Norway. This trophy is awarded to the boy or the girl who has made the greatest progress in the study of Norse. The winner must be outstanding in scholarship, leadership, and character. The name of the winner is engraved on the trophy which is retained at school. The winner also is presented with a pin, which is awarded both in January and in June.

January winners were Helen Bjellaness and Irving Vick.

CABINET PLANS PARTIES

The executive board of the Norse Club is the ruling body of the club. Under the capable leadership of Mr. Benjamin Eggan, the board, which is composed of the officers and committee chairmen, arranges all the meetings, programs, and parties sponsored by the club. The executive board meets on alternate Tuesdays with the regular meetings of the club.

During the fall term the officers were Jonas Johnson, president; Waldemar Nelson, vice-president; Virginia Mollan, secretary; and Helen Bjellaness, treasurer. The officers for the spring term are Waldemar Nelson, president; Irving Vick, vice-president; Helen Bjellaness, secretary; Carol Blegen, treasurer; and Jack Swisher, sergeant-at-arms.

FREMAD NORDMENN!

Each year the Norse club and the Swedish club sponsor a senior farewell banquet, in honor of the graduating Norse and Swedish students. This banquet is usually held at one of the downtown restaurants.

Another semi-annual tradition of the organization is the initiation of new members into the club. Last fall, the initiation was held at school, followed by a wiener roast. This spring, however, a party was planned to replace the usual recognition services.

At the regular meetings of the club, interesting varieties of programs are presented. These programs usually include a speaker, films on Norway, and group singing.

This year a Norse chorus, composed of twenty-five voices, was organized. The members of the chorus are members of the Norse club and are students in Norwegian. This choral organization meets each Thursday under the able direction of Mrs. Signe Fossum Lillijord. Each month the choirs from North, South, West, and Roosevelt High Schools meet at the Young Men's Christian Association for a joint rehearsal. The entire choir plans to sing at the celebration of the Norwegian Independence Day at the Minneapolis Auditorium. The choir is sponsored by the Norwegian National League which provides the director and helps pay for the music.

THE UNDYING SPIRIT

The oldest language club in the school is the German Club which was organized in 1925. The purpose of the club is to create good fellowship and to give service to the school.

To be a member of this organization, students must first receive a "B" or better in German. Then they must write an introductory letter to the secretary and be interviewed and approved by the cabinet. After they are initiated, they are official members of the club.

An important part of the German Club is the cabinet, which is composed of the club officers and eight committee heads. This cabinet meets twice a month to plan the activities of the club.

The club has been active in the past year in collecting games for service men. This year the members are collecting cards and stationery.

Mrs. Selma Gryce and Miss Gretchen Steinhauser are the club's faculty advisers.

The officers for the fall term were Morris Dettman, president; Douglas Gauger, vice-president; Margaret Gorgen, secretary; Creighton Mauritz, treasurer; and Leo Nagan, sergeant-at-arms.

The spring term officers are Creighton Mauritz, president; Margaret Gorgen, vice-president; Lorraine Juengel, secretary; Norman Marose, treasurer; and Hartley Rudd, sergeant-at-arms.

FUN: KEY TO D. D. G.

At the end of every semester, the German Club holds a Senior Farewell Banquet at which the officers for the coming term are elected. The event took place at the Rainbow Cafe last fall, and the entertainment included a skit. Among other social events of the club is an initiation party which is held twice a year. Every Christmas, a party is held in the library, complete with "Kris Kringel" and the exchange of gifts. This spring, the club sponsored an all-school roller-skating party at the Coliseum Rink.

Members of the club decided this spring to have a program and refreshments at all the meetings which are held the second Thursday of every month.

The German Club originated Roosevelt's emblem, the Teddy bear, and Teddies have been sold by the club members for a number of years.

The German Club pin is shaped like an evergreen, and signifies the undying spirit of the club.

The German Club Trophy is awarded every semester on the basis of scholarship and service to the club and the school. This fall, Morris Dettman and Douglas Gauger shared honors by receiving the trophy jointly because of their equal qualifications.

HONOR SOCIETY MEMBERS WIN PRAISE

The Senior Honor Society of Roosevelt High School, organized in 1925, is a branch of the National Honor Society. This club is comparable to the Phi Beta Kappa or the Sigma Chi society at the University of Minnesota.

Entrees into this club must attain an average of 2.3 in their studies each semester. Further qualifications are indicated in the official pin which bears the letters C.S.L.S. signifying character, scholarship, leadership, and service. "Quest of the Best" is the motto of the club.

The chief social functions of the society are the 10B tea which familiarizes the newcomers with the club and the induction ceremony of 12B and 12A members. The induction ceremony for the new members of the spring term was held in the school library, May 7. Club meetings are held every third Thursday of each month.

During the fall term, the following were officers: Morris Dettman, president; Leona Martin, vice-president; and Lillian Frese, secretary-treasurer. Those serving for the spring term are Donald Wedan, president; Ruth Koplitz, vice-president; and Lorraine Juengel, secretary-treasurer.

"JESUS NEVER FAILS" SERVES AS CLUB'S GUIDE

The club at Roosevelt High School which has gained recognition for its rapid growth since its beginning in 1939 is the Christian Fellowship League. To present Christ as a foundation for Christian character and living is the only qualification required of those who wish to join the organization. Serving as a guide in the earnest work is the club's motto "Jesus Never Fails".

Under the guidance of Mrs. Kaupang, adviser of the league, the club has sponsored a Christmas party at Lymanhurst Clinic, a Senior Farewell party, and a Mothers' Day tea. An increase in their library of inspirational books has made it necessary to appoint librarians. Georgia Peterson and Lois Lukerman took competent care of them this year.

The officers during the fall term were Marvin Larson, president; Clinton Hammond, vice-president; Gloria Gregerson, secretary; and Laura Brolsma, treasurer. The spring term officers are Clinton Hammond, president; Marvin Larson, vice-president; Laura Brolsma, secretary; and Renae Smith, treasurer.

PUBLICITY AGENTS

Do you remember the posters in the halls of Roosevelt or in the shop windows in the school district? Then you know that the Qui Vive members have been "On the Alert". This, by the way, is the slogan of their club. It is the duty of the members to advertise plays, concerts, and school parties.

The club is limited to thirty-two members, sixteen A and sixteen B seniors. Students should have a high scholastic standing, be of good character, and possess leadership to apply for membership. Each new member is approved by the faculty and voted on by the members of the club.

The purpose of the club is not only to publicize school activities, but also to promote a spirit of cooperation and friendship among its members. This is accomplished by several social activities, among them the gay initiation party which is preceded by an impressive candlelight ceremony.

EXECUTIVE BOARD

It has been customary to have the meetings every Wednesday morning at 7:45. At the beginning of the spring semester it was decided to meet every Wednesday after school. Organized in 1938, the club is now under the supervision of Miss Oiseth.

The executive board for the fall term was Leonard Noss, president; Robert Hill, vice-president; Dorothy Zimmerman, secretary; Betty Peterson, treasurer; and Raymond McLellan, sergeant-at-arms. Those officiating for the spring term were Irving Vick, president; Harvey Hanse, vice-president; Virginia Mollan, secretary; Graham Davis, treasurer; Kenneth Larson, sergeant-at-arms.

USHERS AND USHERETTES

The Pilots is essentially a service organization. Its membership is limited to thirty-six students, either juniors or seniors. If a student would like to become a member, he must be able to meet the certain eligibility requirements. The requirements are: an applicant must have a "C" average for the preceding semester, he must have a required number of service points, and he must attend every meeting or send a valid written excuse to the president or the adviser. The applicants are then voted on by the members.

The Pilots usher and check wraps at all school functions such as class plays, senior banquets, baccalaureate services, and school parties.

PILOT LEADERS

Twice a year a grand initiation is held to welcome the new members. This year the Pilots and the Qui Vive went on a sleigh-ride together. Horseback rides, wiener roasts, and bowling parties have completed the round of social activities which the Pilots have held during the year.

The club was organized in 1927, and since then it has progressed rapidly. It is now under the leadership of Mr. Brackett. The meetings are held every other Tuesday afternoon at 3:05.

The officers for the fall term were: Charles Lindquist, president; Joe Christensen, vice-president; Lois Carlson, secretary; Coralis Waylander, treasurer; and Morris Dettman, sergeant-at-arms. The spring officers are: Charles Lindquist, president; Joe Christensen, vice-president; Coralis Waylander, secretary; June Nelson, treasurer; and Frank Fondell, sergeant-at-arms.

GIRL RESERVES SERVE

"Face Forward for the Future" is the motto of the Roosevelt Blue Triangle. This year, more than ever, the club has stressed service — not only to the club, but to our country. Some of the many efforts have included the "Share Your Dress Drive", the pledging of money to the Red Cross, and the rolling of bandages at the Y.W.C.A.

The past year the recognition services of the Blue Triangle have been held in Benton Hall at the Y.W.C.A. At these services, the girls are recognized as full-fledged members of the Girl Reserves. The event is an all-city function with representatives from each high school participating in the program.

The social activities of the organization have included the usual Christmas party, the senior farewell tea, the "January Jump" at the Y.W.C.A., and a conference at Lyman Lodge. In cooperation with the war effort, the Blue Triangle agreed to abolish its usual refreshments at the meetings and to donate the money saved to various service organizations.

CLUB LEADERS

The cabinet of the Blue Triangle is the governing body of the senior organization of Girl Reserves. It is composed of the officers and committee chairmen of the club. This executive board meets every month on the second and fourth Tuesdays. It is this board that arranges all meetings and programs, including the Recognition Services held at the Young Women's Christian Association.

The Roosevelt Blue Triangle is a senior branch of the Girl Reserves. The club composed of 11A, 12B, and 12A girls who will uphold the standards of the organization.

The slogan of the Girl Reserves is "To Face Life Squarely". The emblem of the organization is a triangle within a circle — the three vertices of the triangle representing the body, the mind, and the spirit; the circle symbolizing the girls' widening world.

The club meets each month on the first and third Tuesdays at three o'clock. In addition to the regular business meetings, entertaining programs are provided. This often includes a well known speaker who discusses subjects of interest to the girls. In harmony with the times, most of the speakers this year have been connected with the war effort. A few of the talks given were by a representative from the Red Cross, a public health nurse, and a member of the American Friends' Society.

The officers for the fall term were Juliet Starheim, president; Ruth Koplitz, vice-president; Helen Bjellaness, secretary; June Pearson, treasurer; and Lorraine Juengel, I.C.C. Representative.

Elected for the spring term were Ruth Koplitz, president; Beverly Lofthus, vice-president; Elsie Baadsgaard, secretary; Lorraine Juengel, treasurer; June Pearson, I.C.C. Representative.

Elnore Anderberg Addresses Commercial Club Members

A GOOD TIME FOR ALL

Admission to a recent Commercial Club meeting was a cartoon clipped from a magazine. A large number were collected and the girls spent the entire meeting in mounting them in two scrapbooks which were sent to the U.S.O.

The highlight of another interesting meeting was a Quiz Program in which all club members took part.

THE KEY TO VICTORY

If a student is taking a commercial subject such as typing, shorthand, or office practice, he or she is eligible to join the Roosevelt Commercial Club.

The club, which was organized in 1930 with the purpose of introducing its members to the routine of office work, invites speakers from downtown offices to the meetings to give helpful information to club members. The meetings are held on the second and fourth Wednesdays of each month.

The Commercial Club has always been active in doing things for the school. This year, the girls from the club aided the Hi-Y boys by rolling and mailing out over 500 Standards every month to former Roosevelt boys now in the service.

The advisers of the Commercial Club are Mrs. Rice and Mrs. Thro. The fall semester officers were as follows: Dorothy Zimmerman, president; Astrid Froysland, vice-president; Elnore Anderberg, secretary; and Virginia Peterson, treasurer. The officers for the spring term were Elnore Anderberg, president; Eleanor Paulko, vice-president; Mary De Marchi, secretary; and Mildred Froysland, treasurer.

THE NATION CALLS

Every semester the Commercial Club awards the Typing Trophy, the Shorthand Trophy, and the Commercial Award. The Typing Trophy is awarded to the graduating senior who can type with the greatest speed and accuracy for a ten-minute period. The Shorthand Trophy is awarded to the senior who can take dictation for a five-minute period at the highest rate of speed and accuracy. The Commercial Award is given to a senior in the club on the basis of character, scholarship, and service.

SOCIAL ACTIVITIES

The Commercial Club holds a number of social events including a Membership Party, a Christmas Party, and a Senior Farewell Party. This year, each graduating senior was presented with a beautiful corsage.

The club pin, a design with an "R" on the chain, signifies that the owner is a member of the club.

FOUNDATION OF SWEDISH CULTURE

The Swedish Club was organized in 1929 to create interest in the Swedish language, culture, and country. Its first leader was Mrs. Stark, but the club is now under the adviserships of Mr. Yngve and Mrs. Carlson. Any student of the Swedish language at Roosevelt may join the club, provided that the student will, as a member, uphold the traditions of the club.

TRADITIONS UPHELD

The regular meetings of the Swedish Club are held on the first Thursday of every month. These meetings are given over to a business meeting, a speaker on Swedish culture or films on Sweden, and group singing.

The club is very active. It participates in such school-wide activities as Homecoming and the Parent-Teacher-Student Association.

The purpose of the club is to bring together students of Swedish and to foster a deeper respect for the many fine contributions to our way of living made by Sweden.

The annual Norse-Swedish basketball game is one of the outstanding events of the year. Each spring the respective teams meet in the boys' gym in a spirit of friendly combat. To the winning side goes the Martha and Olaf trophy which is held until the succeeding year. The proceeds of the game go to the clubs' treasuries.

SVENSKARNAS DAG

One of the most important social activities of the Swedish Club is the annual Norse-Swedish farewell banquet for graduating seniors. It is held in May for both the January and the June graduates of the year. The banquet is usually held at a downtown restaurant and entertainment is provided by professionals.

The yearly Christmas party is also a Norse-Swedish function and is sponsored by both clubs. It usually takes place at a Scandinavian hall, and entertainment is provided by members of the club.

The Svithiod Trophy is awarded each semester to the student who has made the most progress during two years of Swedish. The winner must be outstanding in character, scholarship, and leadership. The trophy, which is kept at school, is engraved with the name of the winner.

The ruling body of the club is the executive board which meets the third Thursday of each month. The board is composed of all the officers and the committee chairmen of the club. It is the duty of the board to plan all meetings, parties, special events, and social activities. The board meets jointly with the cabinet of the Norse Club when social events concerning both clubs are to be held.

FIND AND GIVE THE BEST

This year the Silver Triangle rendered service to the Roosevelt Junior Red Cross by giving over several of its meetings to the making of spool dolls and scrapbooks and to the collecting of soap and crossword puzzles. At these meetings every member took part and had fun while serving the Red Cross. The girls have also stressed physical fitness. Patty Berg was a guest speaker at one of their meetings. Among the social highlights of the year were the all-city recognition service at the Y.W.C.A., where new members were recognized and the old members renewed their pledge; the annual Christmas party in the school library; and the installation of officers.

Silver Triangle affords great opportunity for all lower classmen girls to make new friends and to get acquainted with the organization as a whole. The club holds its meetings on the first and third Wednesdays of every month, and the cabinet meets on the alternate Wednesdays. Every girl who joins the club takes an active part in it. Each one is assigned to a committee and is given a specific job to do. The club is not only a city-wide organization, but a nation-wide one as well. The local Y.W.C.A. building is always open to any members of the Girl Reserves. The Y.W.C.A. sends out a representative to each school for every meeting. Last fall Mrs. Eckberg was this representative, and this spring Miss Lockridge has held the position. These counselors assist in the planning of the meetings, and also give much encouragement and companionship to the girls. The school advisers are Miss Young and Miss Berkheimer. They are always ready to give their help and have assisted greatly towards the clubs success.

FACE LIFE SQUARELY

The Silver Triangle is the junior branch of the Young Women's Christian Association, and any 10B, 10A, or 11B girl is eligible for membership. The three points of the triangle on their pin symbolize the body, the mind, and the spirit; and the circle in the background represents the girls' widening world. As Girl Reserves, their slogan is "To Face Life Squarely"; and their purpose is "To Find and Give the Best."

The officers for the fall term were as follows: Shirley Kovar, president; Meredith Sather, vice-president; Jeannette Armstrong, inter-club council member; Patricia Richardson, secretary; and Margaret Gorgan, treasurer. PROVING GROUNDS

"Why? and How?" These questions have probably been asked more often than any other questions in the history of the world. These queries are the favorites of the boys and girls in the Science Club. To find the answers to these Why's, and How's, they have to investigate and experiment, and that is the purpose of this club. Many demonstrations of experiments and of apparatus made by members have been given. The club meets every other Wednesday, and any boy or girl who has taken, or is taking a course in science may become a member. They also have their social activities.

Getting the Facts
Braaten, Hill, Mr. Ulrich

UNDER NEW LEADERSHIP

The Science Club was organized in 1929 under the very capable leadership of Mr. Ulrich. In January of this year, 1943, he was appointed as instructor of meteorology and head of the laboratory for the army group at Carleton College. Mr. Ulrich's successor is his colleague in the physics department, Mr. Strandjord.

Each semester the Science Department awards a trophy to a boy or girl who has shown outstanding ability in the field of science and who also has been an active member of the club.

The winner for the fall semester was Herbert Jacobson.

The officers of the club for the fall term were Robert Hill, president; Clifford Lee, vice-president; and Audrey Hungerford, secretary-treasurer. For the spring term they are Robert Hill, president; Norman Braaten, vice-president; and Audrey Hungerford, secretary-treasurer.

MONOGRAM WINNERS

The "R" Club is a club consisting of those boys who have earned letters in some sport. The main purpose of this club is to encourage good sportsmanship in the classrooms, in the halls, and on the athletic field. In the past the club has taken the responsibility for all outside supervision around the school and has assisted in athletic events, both intramural and varsity. This year they took on another duty. During the winter the sidewalks around the school were kept free of snow by the boys. This was necessary because of the shortage of janitors.

The "R" Club was organized in 1939-40 under the supervision of Mr. Lobdell. Mr. Gowans is now the adviser.

This year the club was re-organized, and as yet it has no definite schedule for its meetings.

The officers for the "R" Club during the fall term were Dick Helms, president; Cy Harris, vice-president; and Bob Turner, secretary-treasurer. The boys serving for the spring term were Al Anderson, president; Wayne Searles, vice-president; and Gunnar Brodin, secretary-treasurer.

Talking It Over

BEHIND THE SCENES

The orderly appearance of the stage here at Roosevelt is due to the efficient work of the Stage Crew. Organized in 1922, the purpose of this organization is to keep the stage and setting in order and to take care of the projection equipment.

Boys wishing to be members of the Stage Crew must be recommended by their home room teachers and have their parents' consent.

Since Mr. Lindman left for Red Cross work, Mr. Johnson has taken his place as faculty adviser of the Stage Crew.

LUNCHROOM SUPERVISED BY ABLE STUDENTS

The lunchroom staff, which is a service organization, keeps the school lunchroom and the surrounding halls in an orderly and cleanly condition during the noon hour. The staff is made up of students who volunteer for the work. From this group, several supervisors are chosen to direct the activities of the lunchroom. A supervisor's job is one of responsibility; therefore, only those who are recommended by their teachers are qualified for this work.

Many confusing problems arise in managing as large a lunchroom as ours. It is, therefore, sometimes necessary to have the group called together for a meeting to settle these problems.

During the fall term, Gordon Johnson was superintendent of the upper halls, and Gerald Goodhill was superintendent of the lower halls. During the spring term, these posts were filled by Joe Hembd and Charles Reynolds, respectively. Jean Lien served as the student adviser for both terms. Georgia Roumer and Janet Smith are now being trained to take over this work next term. Co-advisers of the lunchroom are Mr. Halron and Mr. Greenwood.

CAMERA CLUB HAS TENTH ANNIVERSARY

This year the Roosevelt High Camera Club observed its tenth anniversary as an official club. During the present semester, this club is under the expert guidance of Mr. Samuelson, who has been very ably assisted by Russell Ramberg as president, Shirley Rhoten as secretary-treasurer, and Robert Sanford as vice-president. The club is composed of those boys and girls who are searching for more knowledge in the field of taking and developing pictures.

The club's main purpose is to increase the interest of the student body and the faculty in the fine cuts of photography. To do this, each year it sponsors one or two contests among its members, the best pictures of whom it displays in the trophy case in the front hall so that all may have a chance to see them.

USING THE CAMERA

At their regular meetings, which are held every Tuesday after school, the members examine and discuss the different parts and the features of the box camera, the folding camera, the miniature camera, and several of the other types of cameras. They have learned at different meetings that taking a picture is more than just snapping the shutter of the camera. One must also take into consideration some of the different laws of physics in order to get the proper adjustments of the lenses and shutters.

The boys' interests are centered mainly in studying the technicalities of the camera, in working and experimenting with the different formulae used to develop their pictures, in gathering information on lenses and filters, and in working with an enlarger. The girls appear to be more interested in the many ways in which pictures may be taken.

TO THEE WE SING

If one were to walk into Room 313A any day during the fourth hour he would meet with an awe inspiring group of seventy-six boys and girls who really love to sing. Not only do they love to sing; but they admire and respect their director, Mr. C. Wesley Andersen. This group is known as the Roosevelt A Cappella Choir. It was organized by Mr. Andersen in 1934. Since then it has gained the reputation of being one of the finest organizations of its kind in the city.

The A Cappella Choir is an extra-curricular subject which meets for one class period each day. One half credit is received for a term. The members are chosen by Mr. Andersen for their ability to sing and read music well. They must have good behavior and a scholastic average of "C" or better.

The choir has several engagements each term singing at various churches, schools, colleges, and on radio programs. This year the choir sang with West and Patrick Henry High Schools in a massed choir at Central Lutheran Church and St. Mark's Cathedral. Each year the choir presents a fall and spring concert.

MUSIC OF LIFE

One of the most enjoyable events of the choir is the annual banquet which is held for the alumni and present members of the choir. Mr. and Mrs. C. Wesley Andersen, Mrs. Chalgren, Mr. von Levern, and a few of the faculty are usually present at this affair.

Although the fine musical ability and the intensive interest of the choir members are reasons for the high achievements of the choir, there are other reasons also. At regular intervals the choir members go through a series of vocal and breathing exercises under the direction of Mr. Andersen. Mr. Andersen, moreover, has the ability to direct in such a way that he can obtain what he wants from a song.

Perhaps the greatest reason for the choir's success and the esprit de corps between Mr. Andersen and the choir is that Mr. Andersen and the choir both love good music.

The officers for the fall term were Douglas Gauger, president; Carol Peterson, secretary-treasurer; Bob Hill, manager; Lyle Larson, host; and Ruth Krohn, hostess. The officers for the spring term are Larry Landstrom, president; Paul Cornell, vice-president; Georgine Marcio, secretary-treasurer; Bob Hill, manager; Gene Nieland, host; and Lucille Shorba, hostess.

WHAT SO PROUDLY WE HAIL

The Roosevelt Concert Band under the leadership of Mr. Oren Henning is one of the finest high school bands in the city. In order to be a member of this organization, one must be a first class instrument player.

Each term the most valuable musician is presented with a music award. This year Barbara Hasberg, Roger Lundquist, Claire Fransen, and Louise Knoke received the awards.

The band's motto, "Pleasure through Education", is demonstrated by its strong participation in such school activities as playing at football and basketball games, on auditorium programs, and in contests.

The band contributed a great deal to the war effort. It played at the Red Cross program at the Minneapolis Municipal Auditorium on May sixth, and it made an appearance with Bond Selling Performers in front of the Northwestern Bank Building. One of its biggest events was the performance at the Fort Snelling Induction Center.

The flag twirlers and the baton twirlers gave many talented performances at the football games. The flag twirlers were under the leadership of Lorrayne Brakke, and the baton twirlers were under the leadership of Ann Bennett.

The band's fall officers were Bob Solheim, president; Claire Fransen, vice-president; Gordon Peterson, secretary; Louise Knoke, treasurer; and Alvin Flom, sergeant-at-arms. The spring officers are Bruce Rardin, president; Gordon Peterson, vice-president; Claire Fransen, secretary; and Wally Nelson, treasurer.

This year, the band's most outstanding social event was the informal dance for band and orchestra members.

MUSIC, MAESTRO, PLEASE

In order to gain entrance into Roosevelt's First Orchestra, students must possess certain musical qualifications. The orchestra, like all of Roosevelt's instrumental and choral organizations, meets for one class period each day. It is under the guidance of Mr. Oren H. Henning.

Two awards are given to the most valuable musicians each semester. One is awarded by Roosevelt's music department, while the other is given by the Veterans of Foreign Wars. Barbara Hasberg and Roger Lundquist received the awards for the fall term, and Louise Knoke and Claire Fransen received the awards for the spring term.

The orchestra offers a great deal of very enjoyable music to school assemblies and to various programs in and out of school. In November the orchestra contributed several members to the "All State Orchestra" which played for the Minnesota Education Association.

The officers for the orchestra were Chester Dargavel, president; Claire Fransen, vice-president; Louise Knoke, secretary; Katherine Hoveland, treasurer; and Alice Rasmussen, sergeant-at-arms.

The string quartet which is pictured at the left was organized last October when the Hiawatha Parent-Teacher Association made a request for a quartet to play at their meeting. Since then the quartet has played at many places. It has played for the Schoolmasters' Wives, for the School Clerks' Banquet, at a Christmas program, and on the radio. The members of the string quartet were Conrad Ornes, Arthur Paulson, Mary Jane Frojen, and Sybil Stevens.

WARBLERS PRESENT OPERETTA

The Glee Club is a group composed of eighty-two mixed voices which usually sings accompanied secular music. It meets during the fifth period each day under the leadership of Mr. C. Wesley Andersen. To become a member of the Glee Club, one must have the ability to sing and to read music well.

This spring the Glee Club presented a musical comedy called **The Lucky Jade.** In addition to giving an operetta, the Glee Club sings on various programs throughout the year. This year it joined the A Cappella Choir, the Orchestra, and the Concert Band in a musical program for the Parent-Teacher-Student Association.

Mr. Andersen, the director of the Glee Club and Choir, has had a great deal of experience in music. He is not only a good choral director, but an excellent organist and pianist. Organist and choirmaster at Mayflower Community Church, he is also on the faculty of the Minneapolis College of Music. The Roosevelt choral organizations are extremely fortunate in having such a talented instructor.

A PLEASANT RETREAT

The Roosevelt High School library has been a part of the school since its beginning in 1922. It is under the efficient management of Miss Augusta Bjeldanes, head librarian. Her capable assistant is Mrs. Clarice Rowe.

There is much work involved in managing a library. Many helpers are needed. These helpers are secured from the following sources: 1. students who have already received a credit for previous work but who have remained to earn service points, 2. students who are working for extra credits, 3. victory aids, 4. helpers paid from N.Y.A., and 5. typists from the commercial classes.

In return for their help, pupil assistants learn a pre-vocational course in library work. The course includes the use of library "tools" and a knowledge in the use of the card catalog, Reader's Guide, allied material, and the encyclopedias. They also learn how to arrange books on the shelves and how to help other pupils find material.

The arduous efforts of the library staff make the library an interesting and pleasant retreat.

TEDDIES GOAL

The Honor Roll is an unorganized group of students who maintain a 2.3 average during a semester.

For the purpose of computing an honor point rating for students, the report card grades are weighted with honor points. Each "A" is credited with 3 points; "B" carries 2 points and "C" is given 1 point. After each report card marking period the names of pupils who have made a 2.3 average are posted on the bulletin board of each home room, and are printed in the Standard. In order to be recognized as an honor student a pupil must maintain a 2.3 average at each report card marking period for a semester.

Pupils who maintain this average until the 12B term are eligible for election to the National Senior Honor Society. After election to that organization the 2.3 average must be maintained or membership is forfeited.

Each spring all honor students are given an opportunity to attend the Cap and Gown Day exercises at the University of Minnesota and to witness there the awarding of honors to University students. They are accompanied by Miss McCradie who is the adviser of this group.

DEVOTED TO SERVICE

The Red Cross, which was born out of a desire to serve, has been an established organization for over forty-four years. The formal beginning of the American Junior Red Cross dates from the proclamation by President Wilson on September 15, 1917. The parent organization has prospered because the youth of America has demanded a part in the national program by striving always to keep alive the following objectives:

1. Assuming responsibilities in keeping with age and ability.
2. Fostering health as a social asset.
3. Promoting friendship within and without our national borders.

ORIGIN AND OBJECTIVES

Roosevelt High School has been carrying out many useful projects to help with the war effort. There have been many drives during the school year for articles which are needed.

Miss Pommer is coordinator of our division of the Red Cross, and working under her guidance, are many teachers and students who have volunteered their time to furthering our efforts. During the month of March, our campaign was very successful. The Victory Committee, under the direction of Mr. Brackett, secured many books for the soldiers.

The woodwork classes under the direction of Mr. Zuppann have spent their whole semester in making one hundred bedside tables which are to be sent to hospitals.

Miss Oiseth and Mrs. Hovey are in charge of the sewing. Their department has made such things as embarkation kits, lap robes, and various knitted articles. These teachers are also in charge of the voluntary knitting done after school by both boys and girls.

We all can be very proud of the many fine things which Roosevelt students are doing to attain the three objectives.

The opening game of the football season found the Teddies victorious over their opponent, West High. At the first home game, the fighting Colonels defeated Central 6-0. Smashing into their third week, the Teds maintained their stride and made a brilliant stand against the Volts. Although they won, both the players and the coach realized that they would need many additional practices for the all important game with Edison. The defeat by Edison was taken in a sportsmanlike manner.

The co-captains, Marvin Besmehn as tackle and Dick Helms as end, played different positions this season from those they played last year; but they proved that they were as valuable and as formidable as they were in their former positions.

COLONELS PLACE SECOND

The Washburn-Roosevelt game was one of the most highly spirited games of the season. The teams battled on even grounds in the first period; but after the half, the game became one of sparkling plays and brilliant teamwork. The Teds led the Millers 6-0 in the fourth quarter; but their lead was short lived for the Millers tied the game 6-6.

The fighting Teddies, with an eye on the championship and determined not to be outdone, scored in the last three minutes when Bob Turner, Teddy halfback, smashed through the line for a Maroon and Gold victory over the Millers 13-6.

"B" SQUAD HAS ENERGETIC GROUP

The B Squad this year was one of the most energetic groups of boys with whom Ken Peterson, coach, has worked for a number of years.

Our first game with Washburn found us in high spirits and resulted in a 6-2 victory for us. Our winning score was made when Dick Fait, fast little halfback, shot an aerial to Bob Sklenar. The coach said both boys did exceptionally good jobs at their respective posts.

Some of the promising players for next year will be Ed Anderson, Jerry Gladhill, Dean Stagnes, Jerry Peterson and Dick Dunn.

APPARATUS CHAMPS

Roosevelt's gym team had a highly successful season this year placing high in all their meets, and climaxing the season by placing first in the state tournament. The outstanding member of the team was Robert Dease, who placed fourth all around in the State and took first all around in the St. Paul Y.M.C.A. meet. Along with Dease the outstanding men were Eugene Kemper and Donald Carlgren. Each added greatly to the team's success. Others were Roy Anderson and Neil Wales in C class; Robert McMahn, Robert Sanders, and Richard Willie in D class.

Medal winners in the State meet were Robert Dease, Donald Carlgren, Leslie Victor, Neil Wales, Roy Anderson, Gene Kutscheid, Donald Slarks, and Robert Eidsvoog.

The Teds produced twenty-nine lettermen this year of which seventeen are back next year. With these veterans all Teddie fans may look forward to a strong gym team next year.

CAGERS SUFFER FROM GRADUATION LOSSES

The Teddy team has worked aggressively all through the prep season. The line-up showed in the first game versus the mighty Polars, with John Moynihan and Jack Abbett at guard, Jim Holland and Bill Smith at forward, and Willie Snyder at center.

The Juniors who figured in on the opener were Wayne Searles, Don Holland, Harland Grotjohn, and Bob Bielitz. In the big game with Marshall, the powerful Cards were without the services of two of last year's champions, and the Teds were found with such losses as Jerry Hunt, Alton Hanson, and Ray Tomlinson. Both of the teams had equal losses, but the Teds came through winning. The Teddies won by a score of 35-31 before a thrill-crazed crowd which was on its feet throughout the entire game. The Marshall fans' spirits were dampened in the third quarter when the Teds led by a twelve point score.

Jim Holland kept the spectators spellbound with his startling passing and shooting tactics, and he also contributed fourteen points to the victory of the team in the game with Vocational. Bob Bielitz, tricky forward ace, also showed signs of improvement that will add greatly to the coming year's team.

The Maroon and Gold had bad luck when mid-year graduation came up. After that they were minus their very important and much needed members John Moynihan, Willie Snyder, and Jim Holland.

The team looked good in the West game until Tom Young, forward, met with an injury and broke its stride toward a victory.

TEDS KEEP HIGH SPIRITS

The Teddy cagers opened their 1943 basketball season in high spirits with North. After waging a terrific battle against the Polars, the Teds were still able to defeat their opponents. The Teddy team showed very fine teamwork, which aided tremendously in the final outcome of the game. The high scorers were Jim Holland, Leroy Snyder, Bill Smith, and John Moynihan.

Our next game was with Marshall. In spite of the heavy predictions against our Teds, we defeated the mighty Cardinals. This was our first victory over them since 1938.

After two successful wins, Ken Peterson's "upsetting Teddies" prepared for their battle against the Volts. The game gave some much needed experience to the squad members who had to fill in for the mid-year graduation losses. Ken Peterson, Teddy coach, said the season depended wholly upon the suitable replacements of three important players. The game ended in our favor 32-18. This put us high on the prep standings.

The fourth game with the Pats was the last game in which Roosevelt's three aces could participate because of their graduation. Their loss proved a decisive hindrance for the rest of the cage season. The graduation-riddled Teds worked hard for the remainder of the season but to no avail. They showed signs of smooth teamwork on two different occasions, prior to mid-season graduation, but they were defeated in the last six games.

TEDDY SPLASH ARTISTS

Roosevelt came through a tough schedule this year, winning half of its meets. The meet with South proved to be the most outstanding of the year. The Teddies swamped the Tigers by a score of 53 to 21.

Justin Holl and Bill Standly, co-captains of the 1942-43 season, added brilliant performances to their record. With them were such dependable men as Eugene Kemper, Kenneth Peterson, Neil Wales, Bob Rathbun, Allen Powell, and Harold Turner, all of whom turned in splendid victories in their respective events.

Ken Peterson was elected captain for the coming season. The 1943-44 crew should prove to be more successful if all the boys come up to the expectation of their coach, Mr. Palmquist. Next year's swimming meets promise something to which loyal Teddy fans may look forward.

Grapplers in Action

Arnold Monroe, Paul Byers

WRESTLERS TAKE CITY TITLE

The Teddy grunt and groan artists this year came through with one of their best seasons. Paced by such outstanding matmen, as Don Widdowson in the 135 lbs. class, Alan Rasmussen in the 155 lbs. class, Paul Byers, until he graduated in January, in the 165 lbs. class, and Arnold Monroe in the heavyweight class. They won the city tournament, came in first in the regional tournament, and placed third in the state meet.

Roosevelt's grapplers won four of their matches this season. They came from behind to tie Wayzata and lost to Robbinsdale, last year's state champions, only after a close battle.

Al Gowans took over the reins as faculty adviser this year for the first time. He was ably assisted by Captain Don Widdowson and the other lettermen who established such an enviable record this year.

Let's See That Teddy Spirit, Bud
Mr. Cole, Coach, Kuether

DIAMOND MEN DEPEND ON LETTERMEN

There are seven lettermen returning this year as compared to the few of last season. The seven are Jack Hanson and Ted Thomas, as pitchers; Bob Turner, Bud Kuether, and Jack Abbett, infield; Cy Harris, catcher; and Bob West, outfield.

Mr. Cole, coach of the Teddy baseball team, predicts the team to be much stronger this year. Provided the pitching comes up to expectations, the Teds may grab a place in the Southern division of the league. Mr. Cole is depending a great deal on the pitching ability of Jack Hanson.

Bob Turner, first baseman, will probably be shifted to the outfield to make way for Jack Welshinger at first. Turner is a versatile player and will be equally as good at either position. There is also a need for strengthening the backstop position. Harris is the only experienced player; but Bob Anderson, Gerald Tweeton, Roger Hamre, and Harlan Anderson are top understudies.

Cy Harris is an up-and-coming receiver, who should do well in this responsible position. Added to this, the other men back from last year's team, are decided assets both defensively and offensively.

This year's competition is very stiff. There are twelve city teams participating. The league has its season opener, April 27. There is a play-off game between the Southern and the Northern divisions, and the Twin City game takes place, June 4. All in all Roosevelt should have a successful baseball season.

Standing—G. Larson, J. Hanson, Thomas, Welshinger, C. Pearson, Abbett, Nieland. **Kneeling**—Searles, Kuether, West, Harris, M. Larson, Turner, Evans, Mr. Cole, coach.

Row 1—Goar, Mgr., Norquist, Kimball, Dunstone, Stagnes, Zubick, Taylor, Capt., Hartley, Noel, Kutschied, Jensen, Snyder, Mgr. **Row 2**—Holzer, Oas, Petersmeyer, Mariani, Bratt, Kent, Bie, Besmehn, Brodin, Schwanenberg, Kreitz, McMahon, Forbes, G. TEDDY THINCLADS SHOW PROMISE

The 1943 Teddy track team, coached by Mr. Yngve, is one of the strongest in recent years at Roosevelt. With eleven lettermen returning, the most in the Teddy cindermen's history, the outlook for the season is very encouraging. The veterans from last year's team due for competition this year are George Zubeck and Dave Bie in the 100 yard and 220 yard dashes; Gunnar Brodin and Marv Besmehn in the discus and shot-put; Humphrey Taylor and Dick Oas in the high and low hurdle; John Petersmeyer and Dean Stagnes in the half mile; Dick Forbes in the high jump; and Gene Kutschied in the broad jump.

The Teddy thinclads face a very tough schedule; but with more sophomores than usual out for the team, the outlook is considerably brightened. A large number of juniors and seniors are also back on the squad.

Row 1—Bradley, K. Olson, Waataja, Schimmel, Quanbeck, Lindholt, Nielson, Sebesta, C. Peterson, Rivard. **Row 2**—Sanders, K. Peterson, Wright, E. Olson, Moran, Martin, H. Peterson, E. Stevens, R. McCormick, Loftfield, R. Johnson, Knake, Ireland. **Row 3**—M. Stephens, Paulus, T. Hansen, Moe, V. Peterson, Brink, Meader, Lindquist, D. Stevens, Hardy, Tomsche, Revsbech, Griffis.

Myers, Lindbloom, Wyberg, Standly, McMann, Hagermen, Ireland, G. Blanchard, R. Blanchard, Carter, Carlgren, Pearson, Beer, Mr. Eggan, faculty adviser.

SKIERS IMPROVE FOR NEXT YEAR

The Roosevelt ski team came through a tough season this year, taking third place in the city meet, placing next to North and Washburn. In the state meet the Teds placed fourth with Duluth taking the championship. Roosevelt also participated in the Twin City meet. In this contest, outstanding members of each school in the city are pitted against a similar team from St. Paul. They whipped the Saints by a score of 29 to 16. The Teddies copped first place in ski jumping in both city and state meets, but failed to place effectively in the cross country and the slalom, a very difficult routed course.

Chuck Lee was the captain of the 1942-43 season. He was helped by such dependable men as Bill Standly, Bill Carter, Jerry Ireland, and Bob Blanchard, all of whom turned in splendid performances. The lettermen this year are Chuck Lee, Jerry Ireland, Bill Standly, and Bob Blanchard. Each added brilliant victories to his records. The only casualty of this season was Chuck Blanchard, who suffered a severe head injury and was unable to compete for the rest of the season.

Next year's team promises to be outstanding. It will be very strong and very much improved. All loyal Teddie fans may be assured of a good season next year.

The team is especially grateful to Mr. Eggan, who acted as adviser throughout the season.

A Full Christiana — Bill Beer

Row 1—Hallberg, Jamieson, Dahl, C. Hall, D. Hall, Von Drak, Wickan, Ulsaker, Mulkern, Curry, coach, Mr. Daly, faculty adviser. **Row 2**—S. Benson, G. Parson, Caton, Sandahl, H. Smith, N. Peterson, Near, Rengel, P. Erickson.

TEDDY LINKMEN IN ACTION

The outlook of the Roosevelt tennis team for this season is good, as it has the prospect of a very successful record. Much needed experience will be added to the team with the return of five lettermen, all veterans of last year's club. Carl Hallberg, Bob Ulsaker, and Bruce Jamieson in the doubles, and Neal Peterson and Bob Von Drak in the singles will all be stand-outs on the team. Mr. Daly has returned as faculty adviser of the netmen.

CLOUD SWATTERS

The Roosevelt Golf Team this year promises to have a club that will more than hold its own in the City Title Race. Bolstering the Teddy lingsters hopes will be lettermen Bob Moen, Don Holzer, Dick Marceau, Herb Nyberg, and Jim Fortier, all returning from last year's second place club. Coach A. W. Buckman will choose several others from the candidates to form the rest of the team after an inter-squad tournament.

Jones, McGorman, Marceau, Dunn, Fortier, Moen, Holzer, Mr. Buckman, coach.

INTRAMURAL PROVES SUCCESSFUL

A driving last surge to victory gave Room 229 a well deserved 14-8 victory over its opponent, Room 115. Room 229 won the girls' home room basketball championship game which marked the ending of the girls' basketball tournaments.

The girls and the directors enjoyed the games because of the fine spirit and good sportsmanship.

In the latter part of March, a volleyball schedule was made by Art Christianson, boys' gym director, and Miss Mercedes Nelson, girls' gym instructor. Volleyball is one of the favorite sports, and the instructors hope that the boys and girls will be active in this co-recreational form of sports. Twenty-three home rooms have entered the tournament. The games will be played over a period of several weeks, and the winners will be determined by elimination. The winners, Room 325, will be presented with small gold volleyballs.

INTRAMURAL KEEPS BOYS PHYSICALLY FIT

The boys' intramural basketball tournaments proved very successful this year. There is a special emphasis on physical fitness, and the intramural games helped to keep the boys in top condition.

Room 121 captured the twelfth grade title and Room 207, the tenth grade title holders. Room 154, winner of the eleventh grade title, nosed out 121's fighting cagers for the intramural championship. The game was a thriller from beginning to end, and, judging by the final score of 19-17, there was an abundance of competition.

Leading the school champs was Al Anderson, high scorer for 154. The losing team's outstanding player was Bob Turner, who poured three well earned buckets into the hoop. The winners of the tournament in each grade were awarded gold basketballs.

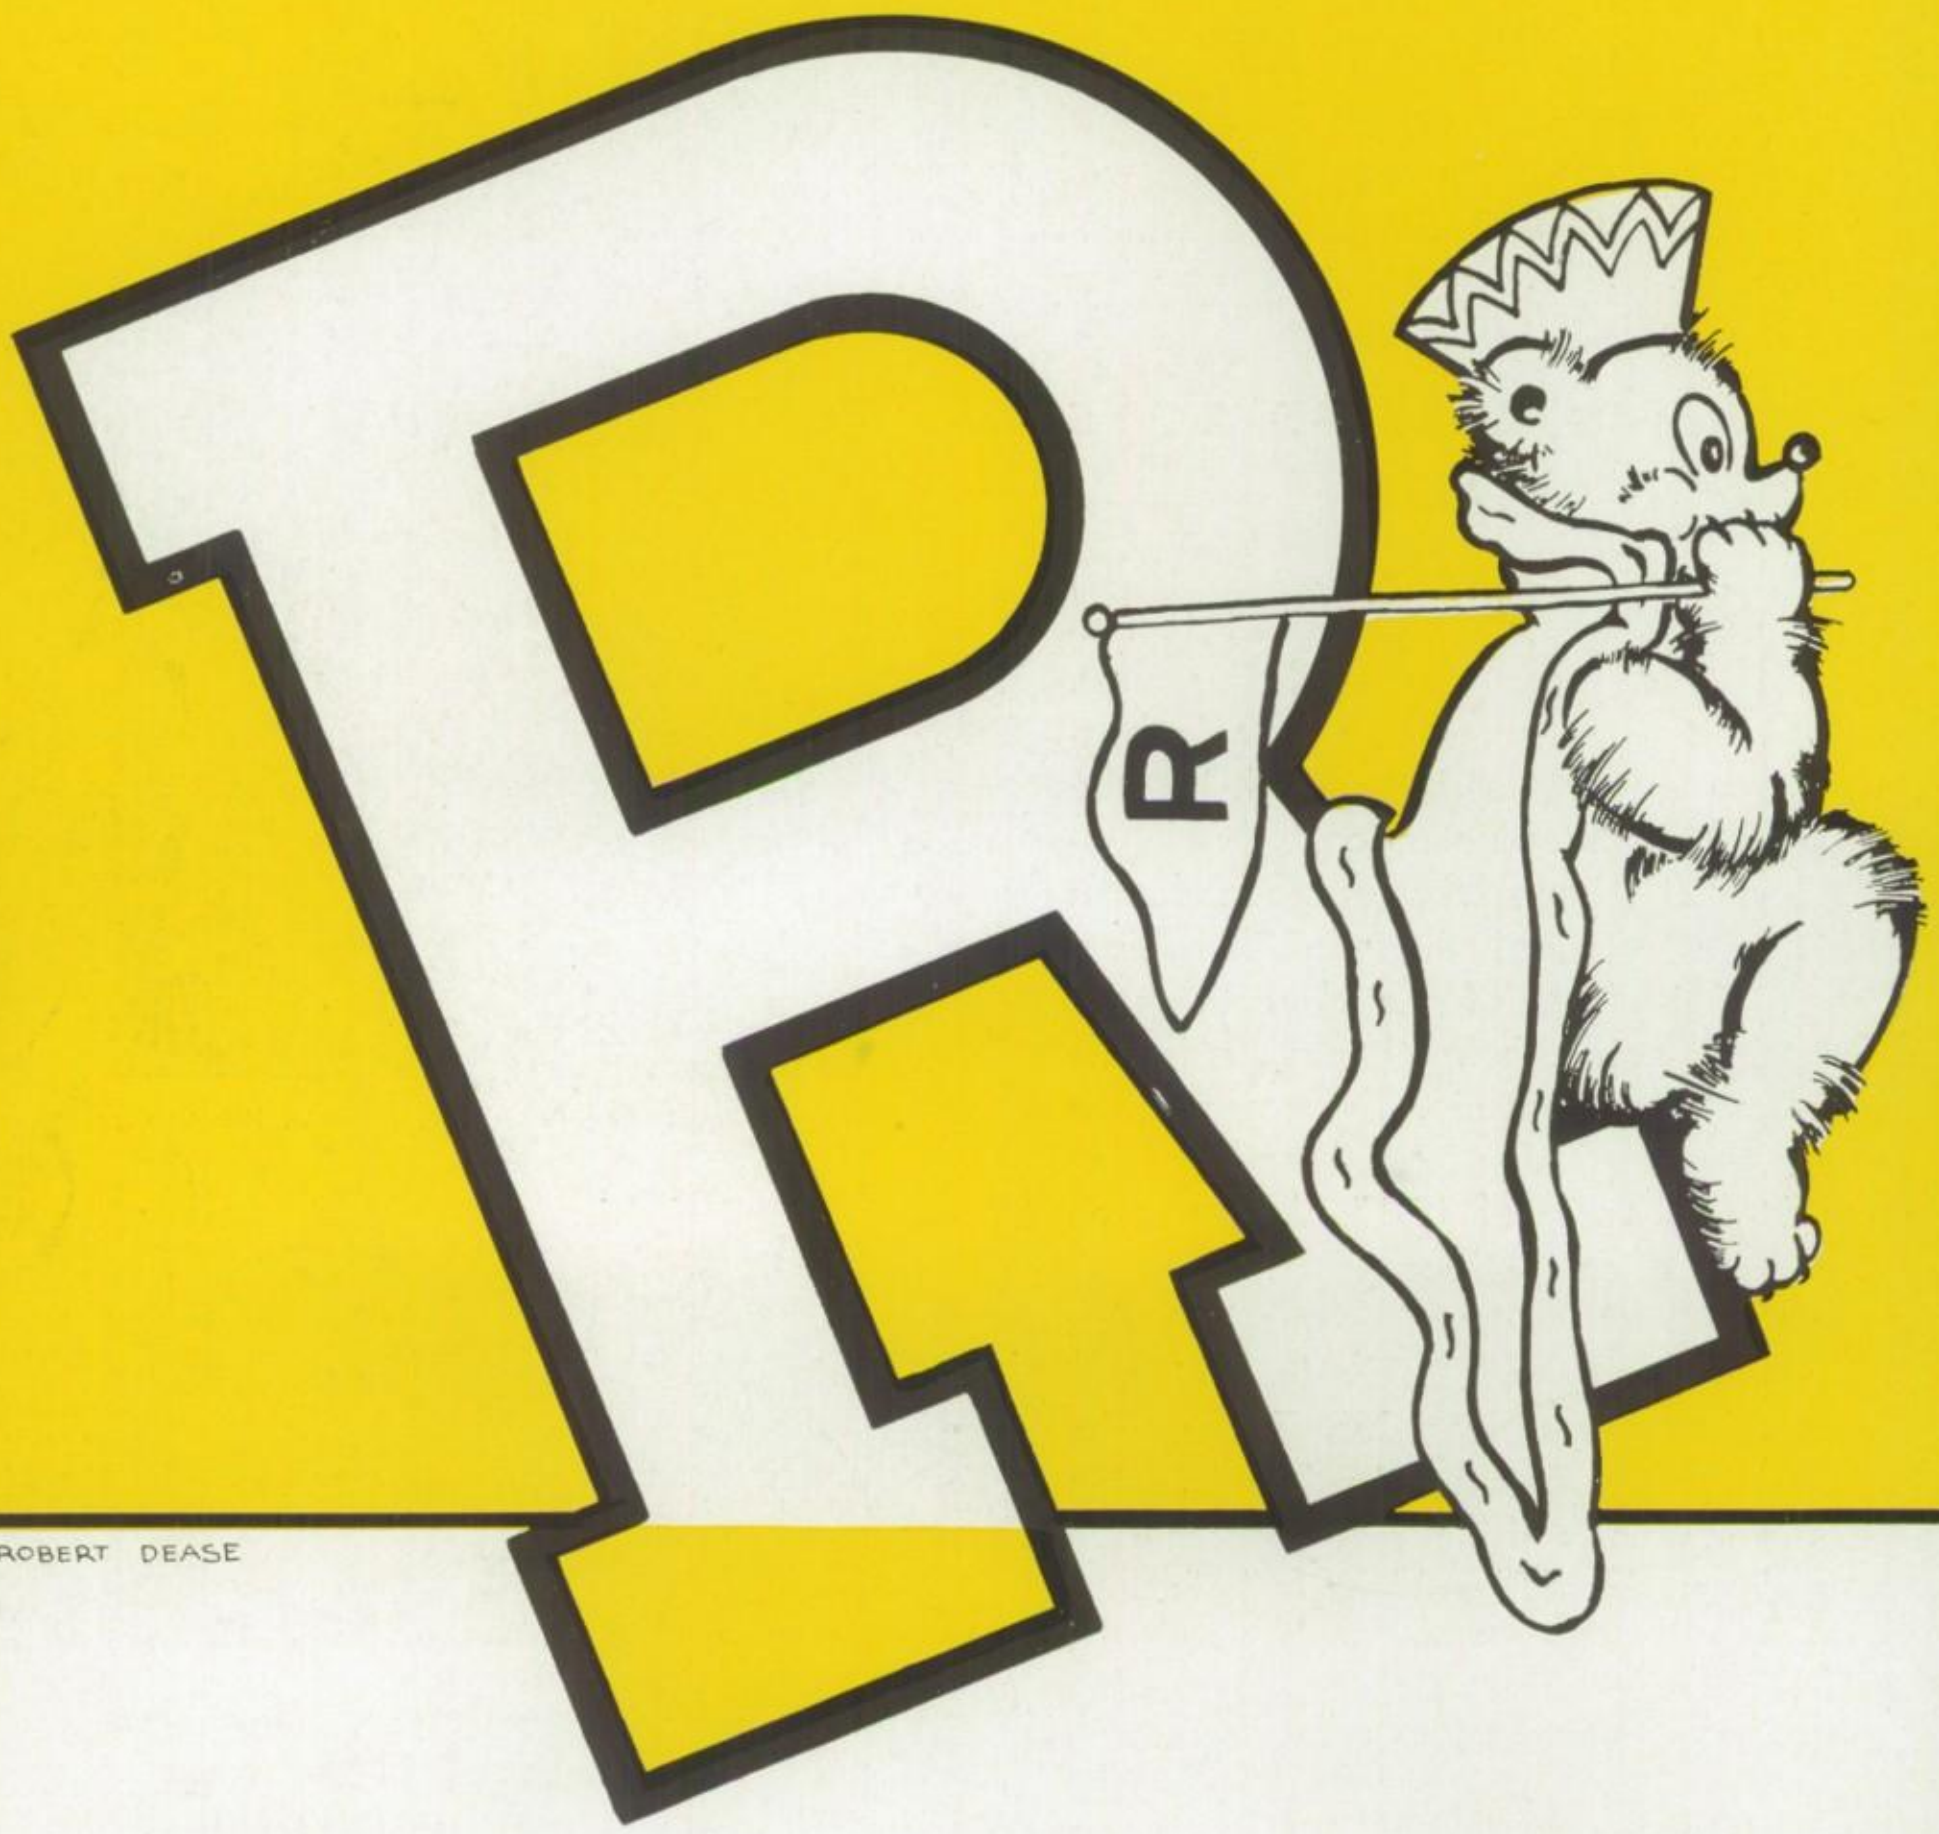
FEATURES



ROBERT DEASE

Here is a glimpse of the hectic preparation that precedes first curtain. In the true Teddy spirit these hours are enjoyed as much as the festivities which highlight the school year.

HOMECOMING

FRIENDLY RIVALRY

The band opened the homecoming auditorium by playing **The Star Spangled Banner.** Marion Finrud, mistress of ceremonies, then challenged Patrick Henry in the spirit of friendly rivalry which characterized the entire afternoon. The challenge was accepted by Robert Lundgren of Henry. The program continued with rousing cheers lead by our cheerleaders. As a climax to the event, Mr. von Levern crowned Edwin Johnson and Audrey Stenvig king and queen for the day. Attending the royal couple were Marilyn Jensen, Ruth Krohn, June Nelson, Barbara Wikan, Dick Helms, Bud Kuether, Bob Palm, and Bob Turner.

The game was an especially fine exhibition of good sportsmanship, and our team took its 13 to 0 defeat affably.

BIG EVENING

The festivities continued with a variety show in the school auditorium at 8 o'clock. The entire program consisted of student talent introduced by John Hagerman, the master of ceremonies.

After the program, the crowd proceeded to the gyms for dancing. The band room was reserved for the alumni to get together to talk over old times. Many of the boys were in uniform.

Credit for the attractive decorating of the two gyms and the band room goes to the Blue Triangle and Seton Hi clubs.

SENIOR BANQUET

Of the events which honored the Seniors during their last few weeks at school, the Twelve A Banquet will probably be remembered as the most colorful. The theme, "Guardian of Our American Heritage" was effectively carried out in red, white, and blue. Miniature implements of war, and models of men and women in the military services adorned the tables. The favors were cannons made of peppermint sticks. Further conveying the theme was the program cover designed by Bob Dease and a poster by Cliff Moen.

Morris Dettman, well known for his wit, was toastmaster, assisted by Douglas Gauger. Complying with a tradition at Roosevelt, Bob Palm, the class president, made the presentation speech. William Kuether responded as representative of the B Seniors. Highlighting the program, Dorothy Osmundson and Jerry Mimoso read the class will and prophecy. Everyone enjoyed the songs by the Double Trio; and Bruce Brown, Bill Clausen, and Roger Lundquist rendered a few solid swing numbers.

As a climax to the evening, Bob Palm and Betty Peterson led the grand march into the girls' gym where the Roosevelt Rhythmaires played. Mrs. Beck directed games in the band room for those guests who didn't care to dance.

The banquet was planned by Miss Heath's committee, and a group of 12B girls under the direction of Miss Comley acted as waitresses. Many of the girls wore carnations purchased from the Blue Triangle during the day.

The January Class presentation was a comedy depicting school life. The entire play took place in Mr. Bradley's office, Henry's habitat. Henry encountered troubles wherever he turned—he also encountered Barbara Pearson. He was so mischievous that it was only natural for him to be blamed, even for deeds he didn't do. Henry found himself in that predicament when several musical instruments disappeared. A detective, more amusing than efficient, unearthed an astounding collection of junk in Henry's locker; but it wasn't until he delved into the affairs of the estimable George Bigelow that the mystery was solved. Henry, once more in the good graces of Mr. Bradley and his mother, dated Barbara for the big Spring Dance only to find he had no money for tickets. He solved the problem with a small loan from Barbara.

This production, directed by Miss Leith Shackel, was also presented for the soldiers at Fort Snelling.

"BE YOUR AGE"

BY WILLIAM DAVIDSON

The June Class play was a comedy about Jim and Gadget, two sailors, who came to visit their pen pals, only to discover that they were not eighteen but a romantic fourteen. The girls, Jerry and Angie, made use of Jerry's sister's trousseau to make them look mature. The ruse succeeded until Aunt Sandra — summoned by Cora, the wrestler-maid — appeared as Cousin Elsie to teach them a lesson. Commander Stone arrived after receiving several conflicting telegrams from Gadget and Sandra. He determined to court-martial the culprits who claimed that Jerry and Angie were their wives. During the turmoil Sandra entered in a very attractive costume chosen from the trousseau and positively enchanted Jim. He proposed, and Gadget, who has been in love with Cora since he first smelled her cooking, prevailed upon her to make it a double wedding. Jerry and Angie, tired of the affair, made their exit with roller skates.

Miss Leith Shackel directed the play.

VICTORY

In December, 1941, shortly after the United States entered the war, a Defense Committee was organized by the Student Council to sell Defense Stamps and Bonds as they were called at that time. As the students' part in the war became more important, the Defense Committee was enlarged to include a representative from each homeroom and, its name was changed to the Victory Committee.

The representatives solicit their classmates for the various drives and sell War Stamps and Bonds. Ruth Koplitz as chairman of the committee is in charge of all the projects. Among the successful projects this year were the Cookie Drive for the U.S.O., the Book Drive headed by Polly Stallings, the Copper Drive, and the Magazine Collection. Of course, we are proudest of the Stamp and Bond Sales. Roosevelt leads all Minneapolis high schools, and our goal of a jeep a week has been reached.

Mr. Brackett originated the Victory Score Card which is meeting with great success. It is an endeavor to have each student and his family cooperate with the war effort one hundred per cent.

IN ACTION

STUDENT LIFE

Here is student life at Roosevelt. From eight in the morning until sometime after three the hubbub continues. Sports events, dances, gossip—all come with little flurries of excitement but are soon forgotten. However, this routine is unchanging: home room (notices, fees), first period (must get down to business), second period (chance to see **him**), third period (gee, I'm hungry), fourth period (won't that bell ever ring?), lunch!!, fifth period (did you hear . . . ?), sixth period (all eyes on the clock). From Monday till Friday, from September to June, the procedure is the same. But school does not become monotonous—it's just habit and not entirely unpleasant.

On these pages are scenes familiar to all of us; and because of their familiarity we think these are the ones you'll like to remember. We hope that the lockers, the dancing, the **Standards,** the football practice, the scene between the halves at basketball games, and the auditorium programs will recall events in your own life as a student.

Business Training

SHOULD PRECEDE

All Other Plans

If you look for a job, you'll find it sooner . . . and you'll find a better job . . . once you have the Better Business Training—M. B. C. of course.

—And if you do go on to college or "U", take your Business Training **first.** It's the best assurance that you will be able to finish whatever you start.

Attend the "Modern Minneapolis" business college, where training and placements both excel; where tuition is moderate and advancement is swift.

For the Duration . . . .

This phrase, now heard so often in connection with our War Effort, perfectly symbolizes the thought which should accompany the making of your photograph. For The Duration . . . not only of a lifetime, but beyond that, a fine Portrait should remain True. Its creation, therefore, should only be intrusted to experts.

Our artists strive to capture your personality — at the same time emphasizing your most attractive characteristics. It is this effort plus the skill for which our craftsmen are famous, that has made the name Zintsmaster synonymous with good Portraiture.

Dear Bea,

Well - I guess I first met you was at our basketball games last winter - wasn't it? Of course - our "mutual feelings" in Geometry have made us closer together, haven't it? Our club (Sq) has been so much fun, hasn't it? I hope we'll continue club next fall, don't you? Well - I can't think of anything more to write about - so I'll say the traditional "Good luck - & best wishes" - but I really mean it - Love & stuff - Your club sister,

Jannelle.

(P.S. You're awful cute!! no kiddin')
